

NON-DISCRIMINATION AND EQUAL OPPORTUNITY

The Board of Education, its officers and employees, will not discriminate in its programs and activities on the basis of legally protected classes, such as, but not limited to: race (including traits historically associated with race, such as hair texture and protective hairstyles like braids, locks, and twists), color, national origin, creed, religion (including religious practices), marital status, sex (including pregnancy, childbirth, or related medical condition), gender identity and expression (i.e., actual or perceived gender-related identity, appearance, behavior, expression, or other gender-related characteristic regardless of the sex assigned to that person at birth, including but not limited to the status of being transgender), age, sexual orientation, disability (physical or mental), predisposing genetic characteristic, military work or status, domestic violence victim status, citizenship/immigration status, or use of a guide dog, hearing dog, or service dog, as applicable. The district will provide notice of this policy in accordance with federal and state law and regulation.

This policy of nondiscrimination includes access by students to educational programs, counseling services for students, course offerings, and student activities, as well as recruitment and appointment of employees and employment pay, benefits, advancement and/or terminations.

Employees also have protections under state law against discrimination on the basis of their familial status, reproductive healthcare decisions (their own or their dependents) and certain prior criminal history.

Specific protections for students under the Dignity for All Students Act are addressed in policy 0115, Student Bullying and Harassment Prevention and Intervention. The district will follow the guidance from the State Education Department on creating a safe, supportive, and affirming school environment for transgender and gender-expansive students.

As a condition of participation in federal meal programs, the district will post the following statement: “In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.” Discrimination complaint

A finding that an individual has engaged in conduct in violation of this policy may result in disciplinary action and/or filing of a report with third parties in the manner prescribed by the district code of conduct, the law or applicable contract.

Nothing in this policy will be construed to prohibit a denial of admission into, or exclusion from, a course of instruction or activity based on a person's gender that would be permissible under the law, or to prohibit, as discrimination based on disability, actions that would be permissible under the law.

Annual Notification

At the beginning of each school year, the district will publish a notice of the established grievance procedures for resolving complaints of discrimination to parents/guardians, employees, students and the community. The public notice will:

- a. inform parents, employees, students and the community that education programs, including but not limited to vocational programs, are offered without regard to actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sex; sexual orientation, or gender (including gender identity and expression);
- b. provide the name, address and telephone number of the person designated to coordinate activities concerning discrimination; and
- c. be included in announcements, bulletins, catalogues, and applications made available by the district.

Complaints of sex discrimination and sex-based harassment are addressed by the district's Title IX grievance procedure, and will also be addressed by other district policies if the conduct is not a violation of Title IX. Complaints of discrimination and harassment made by employees and applicants are also addressed by the process outlined in policy 0110.2, Sexual Harassment in the Workplace. Complaints of discrimination and harassment by students are also addressed by the process outlined in policy 0115, Student Bullying and Harassment Prevention and Intervention.

All complainants and those who participate in the investigation of a complaint in conformity with state law and district policies, who have acted reasonably and in good faith, have the right to be free from retaliation of any kind.

The Board authorizes the Superintendent of Schools to establish such rules, regulations and procedures necessary to implement and maintain this policy.
